

## **1996 Hall of Fame Inductee Jim Dorsey – Littleton**

Jim Dorsey umpired Colorado high school, American Legion and college baseball from 1961 to 1981. His high school on-field experience includes 15 years of playoffs and three state tournaments, along with several American Legion playoffs. He also worked the Western Athletic Conference, RMAC and Denver University.

Jim left umpiring due to the workload in the Sheridan High School administration. He has served in many capacities with CHSBUA, including Local Director, Executive Committee, Assignor and State President from 1979 - 1981. Jim still observes/assesses over 40 games per season, assigns officials for Metro League, and credits Julius Carabello for contributing the most to his umpiring career.
